"I pray that God, the source of hope, will fill you completely with joy and peace because you trust in him. Then you will overflow with confident hope through the power of the Holy Spirit."

ROMANS 15:13 (NEW LIVING TRANSLATION)

Ridin' on Faith Horse Ministry is a public benefit organization that relies on donations to keep providing **"Hope through Horsehair where Fellowship Flourishes."**

Please consider donating to our Dollars for Dreams so we may continue to minister to those in need.

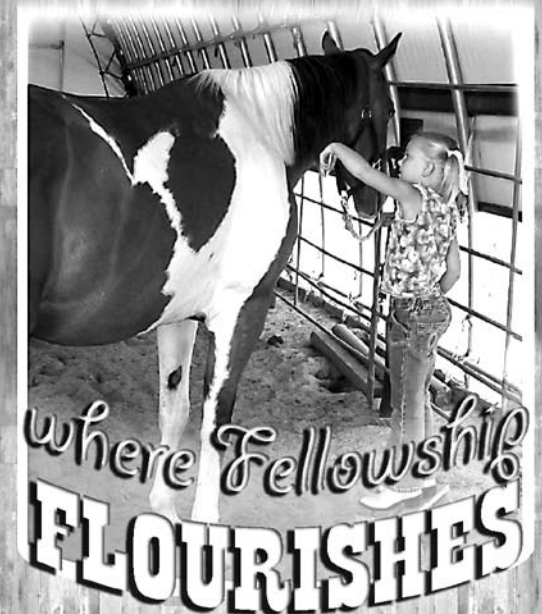

You're not giving to us.

You're giving through us.

WHAT

Come and join the fun of *Equine Assisted Activities and Learning* (EAL) This is an emerging field where the focus is not about riding and horsemanship, but rather an opportunity for adults and youth to interact with horses through various ground-based activities, as a means to strengthen and improve life skills.

We use horses to minister to people exactly where they are in life. Our program helps to develop leadership, communication and relational skills. Above all, they learn love, faith, and hope are available under any circumstances.

EXAMPLES OF ACTIVITIES:

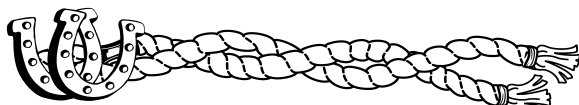

- U A single parent family works together to get the horse to walk backwards to learn problem solving skills.
- U A youth group builds an obstacle course to lead their horses through to develop decision-making.

*Ridin' on Faith Horse Ministry
is about serving.*

Everyone is welcome.

*From broken hearts . . . To
broken homes*

and where belonging matters.

Ridin' on Faith Horse Ministry

is a public benefit organization.

MISSION STATEMENT:

Ridin' on Faith Horse Ministry is committed to the individuals and families we serve by bringing people and horses together in a safe environment, allowing the opportunity for enrichment of lives through building relationships, training servant leaders, improving communication, and providing hope.

VISION STATEMENT:

Ridin' on Faith will be known as the ministry that enriches the lives of those we serve by offering a comfortable place for people to gather with horses while fostering fellowship that is linked to encouragement and hope. We will offer quality services and programs to all individuals and families in and around the area, using horses to provide life lessons visually and hands-on.
